

Parent EDC (kid-friendly, quick access) What to carry:

- **Compact pepper spray with childproof locking mechanism stored out of reach of children.**
- **Personal alarm and small flashlight; thin multi-tool for car fixes and emergencies.**
- **Child ID cards, medical info, and a small first-aid kit. Carry tips:**
- **Keep parent-only pockets in diaper bags or a dedicated stroller organizer; do not store tools where children can access them.**
- **Keep a secondary alarm in the stroller or in the child's bag (age-appropriate).**

Training & situational tips:

- **Teach kids basic safety rules (stay visible, come when called, scream loudly).**
- **Model responsible behavior—show safe storage and never let kids handle devices.**

- **Product bundle idea:**

Child-safe keychain spray + mini first-aid kit + 120 dB alarm.
